Almaty 📍

Resourceful Senior UX/UI Designer with 4+ years of experience in executing user research, creating compelling user journeys, and designing intuitive interfaces for diverse platforms. Proven ability to develop and maintain design systems, streamline workflows, and advocate for user-centric solutions through data-driven presentations. Eager to leverage analytical thinking and creative design skills to drive impactful UX/UI initiatives and simplify complex processes for The Citco Group Limited.

## WORK EXPERIENCE

**Senior UX/UI designer**
Freedom Broker
*Almaty, Kazakhstan* *08/2024 – Present*

- Spearheaded product strategy by formulating hypotheses and aligning design vision with business objectives and key metrics.
- Evaluated and validated design solutions through A/B testing, quantitative analytics, and qualitative user research to inform decisions.
- Engineered and maintained scalable, cross-platform design systems, component libraries, and design token pipelines.
- Streamlined design operations and workflow standards, ensuring seamless design-to-engineering handoff.
- Cultivated cross-functional alignment by collaborating with Product Managers, Tech Leads, and Engineers to deliver impactful solutions.
- Advocated for design decisions to executive stakeholders through compelling, data-driven presentations.
- Mentored mid-level and junior designers, conducted design reviews, and fostered a strong team design culture.

**Product designer**
Prodengi.kz
*Almaty, Kazakhstan* *06/2022 – 08/2024*

- Executed user research utilizing Jobs-to-be-Done (JTBD), Customer Journey Maps (CJM), and Emotional Maps to understand user needs.
- Conducted custom user research, designed tailored scenarios, and investigated user interaction flows.
- Facilitated in-depth interviews and synthesized findings into comprehensive user flows, CJMs, and other key documentation.
- Incorporated user feedback and analytical data to iterate on designs.
- Designed intuitive and engaging mobile interfaces.
- Managed the end-to-end design process, from prototyping to launch and production deployment.

**Web designer**
Brainest Studio
*Almaty, Kazakhstan* *12/2020 – 03/2021*

- Developed designs for landing pages, e-commerce platforms, and corporate websites.
- Structured user flows, grids, and adaptive layouts for desktop, tablet, and mobile platforms.
- Created interactive prototypes and designed micro-interactions and UI animations.
- Presented and defended design concepts effectively to Art Directors and clients.

## EDUCATION

**Bachelor Degree - Oriental studies**
Al-Farabi Kazakh National University
*Almaty, Kazakhstan* *09/2016 – 05/2020*

**Additional Education - Human Factors & Usability Engineering: Designing for Humans Specialization**
Arizona State University
*Remotely* *08/2026 – Present*

**Additional degree - User Experience Research and Design Specialization**
University of Michigan
*Remotely* *02/2022 – 08/2022*
